Can this rambunctious pup ever learn how to be a good boy?

The Recruit is the thrilling second book in the Final Kingdom virtual adventure series. If you like unlikely heroes, edge-of-your-seat action, and electrifying mysteries, you'll love Steven K. Smith's gripping story. Can Bryce and his teammates survive to match wits with their treacherous captors, or will they be lost in the alternate universe of Final Kingdom's digital world forever?

A Quiet Place by Douglas Wood

"Sometimes a person needs a quiet place."

A place that's far away from the hustle and bustle of everyday life – a place that isn't ringing or talking or roaring or blaring or playing. But sometimes that place isn't easy to find. Perhaps the very best quiet place of all – the one that's inside of you.

The Butter Battle Book by Dr. Seuss

The Yooks and Zooks share a love of buttered bread, but animosity brews between the two groups because they prefer to enjoy the tasty treat differently. The timeless and topical rhyming text is an ideal way to teach young children about the issues of tolerance and respect.
