

Valentine's Day Carnation Sale Brings Love and Support to the Fellowship Fund

This Valentine's Day, Sunnyside and Summit Square spread the love in more ways than one. Residents and team members embraced the season of giving by purchasing carnations in honor of the special people in their lives. The sale wasn't just about brightening hearts and spaces with vibrant flowers—it also supported an important cause.

Proceeds from the carnation sales went directly to the Fellowship Fund, which provides financial assistance to residents in need. Through this heartfelt effort, the communities celebrated love and kindness while making a tangible difference for those who call Sunnyside and Summit Square home.

Thank you to everyone who participated and helped turn Valentine's Day into a meaningful celebration of care and generosity!
