## Artists of the Month—

### SVAC Artists

The Art Gallery will host members of Shenandoah Valley Art Center for the months of December and January. Shenandoah Valley Art Center was started in 1986 as a place for local artists to have exhibits, education, and fellowship. Through the years SVAC has grown into a thriving regional art center with more than 200 members annually. SVAC has galleries, a gift shop, classes, and open artist studios at 122 S. Wayne Avenue in Waynesboro. The building is open to the public and visitors are encouraged to visit often, as exhibits change nearly every month.

## January 4 - **Trivia Day**

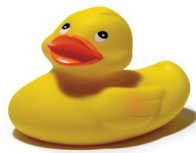

Why do we fill our heads with useless trivia? To show how smart we are! Come see who has the most trivial information to share.

## January 9—**Cracker Barrel Luncheon**

Make your order ahead of time and enjoy a take-out luncheon in the Theatre Room set up just for us to eat together on the second floor.

## January 13 – **Rubber Ducky Day**

Here a duck, there a duck, everywhere a duck duck! What fun we will have looking for rubber duckies.

January 18—**Thesaurus Day**—For the scholarly among us. Let's celebrate the English language by finding synonyms together.

January 19 - **Popcorn Day**— Who was the first to find out what a kernel of corn becomes when it is exposed to heat? Join us to find out the history. We'll eat some popcorn and enjoy a movie.

January 20 - **Cheese Lovers Day**— Calling all cheese lovers! Join in the fun of tasting different cheeses. Cheese goes especially well with **WINE**—don't you think?

January 21— **Movie Outing at the Wayne Theatre**—Sign up to go to the movies. "Father of the Bride" is playing at the historical Wayne Theatre. There is no cost for this event.

January 29—**National Puzzle Day**—Let's put together a giant jigsaw puzzle to celebrate!

## January 30 - **Croissant Day**

Come enjoy the French delicacy, croissants. So soft and buttery, they will melt in your mouth.

### Happy New Year!

I am excited to have found a new bible study to begin the new year. It will be a wonderful follow-up to our last study on the Jewishness of Jesus.

The new study is Short Stories by Jesus, The Enigmatic Parables of a Controversial Rabbi. In this study we will look at several parables of Jesus from the perspective of First Century Judaism. Our author, Amy-Jill Lavine, is the University Professor of New Testament and Jewish Studies at Vanderbilt Divinity School. This New Testament scholar is a Jewish Rabbi. Lavine says the stories of Jesus are wonderful, inspirational and provocative. We will discuss these stories of Jesus during devotions each week.
