ALL ABOUT ME

Melvin McCauley was born in Rockingham County, VA in 1931 and grew up in Elkton. The Shenandoah Valley has been home for most of his life, except for four years serving in the U.S. Navy aboard the USS Albany. His travels during that time took him to places like the

Leaning Tower of Pisa, Guantanamo Bay, Cuba, and Santos, Brazil—and included a special memory of holding his son, Lonnie.

Melvin and his beloved wife raised four children—Lonnie, Jeff, Cathy, and Barry, who passed away from cancer—and today he is proud to have eight grandchildren and seven great-grandchildren. A devoted Christian, Melvin served for many

years as a licensed Pentecostal minister. He loves hymns and spent years singing and playing guitar. Melvin was also an avid gardener, growing everything from vegetables to fruit trees and grape arbors, and generously shared his harvest with others. He and his wife even operated a free clothing and household ministry for those in need. Known for his kind heart, strong faith, and love of people, Melvin truly never meets a stranger.

We are so grateful to have him as part of our Sunnyside community!
