

Honoring Vietnam Veterans at Sunnyside

On March 29th, Sunnyside Retirement Community commemorated National Vietnam War Veterans Day with a heartfelt event led by the Massanutten Chapter's Veteran's Committee. The gathering honored the sacrifices of Vietnam veterans, aligning with the Daughters of the American Revolution's (DAR) mission to ensure every veteran and their family feels our nation's gratitude.

The event, held in the Corson Building's Bethesda Theatre, was followed by a reception hosted by the chapter. Special thanks go to committee members Susan Plank, Eleanor Price, Becca Whitfield, and all who contributed to making the event a meaningful success.

Our sincere appreciation also goes out to the Sunnyside Veterans' Group and everyone who helped make this tribute possible.
