Season - Summer

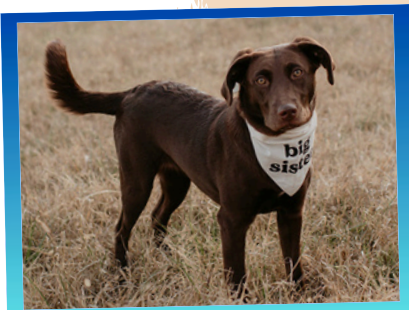

ALL ABOUT ME

Lindsey was born and raised here in the Shenandoah Valley. She graduated from Turner Ashby High School in 2017. Once she decided on her career in Social Work, Lindsey got her Bachelors at Bridgewater College. After college, she began working at Sunnyside's Healthcare department in 2021 and transferred to Assisted Living in May this year. Lindsey married her best friend, Jarrett, in 2023. Their son, Kampbell Cordell Price, is 6 months old! He is such a sweetheart! Lindsey's favorite travel destination is the beach - specifically Topsail in NC. Her hobbies include spending quality time with her family, shopping for her baby, and watching family videos. She also volunteers at church as a leader in the children's ministry and the Vacation Bible School program. We are excited to have Lindsey join our team as our Social Services Coordinator. You can visit her office on the 3rd floor across from the Madison Puzzle Lounge.
